

Wireless
Excitement
with
Amateur
Radio

Welcome to the world of Amateur Radio!

Here are just some of ham radio's *exciting* activities:

- Talk around the world without the internet
- Explore wireless technology
- Talk with astronauts onboard the International Space Station
- Use your radio to help your community
- Compete on the air for awards

For more information about today's ham radio contact your local ARRL Affiliated Club:

Or contact:

ARRL *The national association for*
